Limited Lifetime Paint Warranty

Alan Robinson Painting warrants that paint products supplied and applied as part of a qualifying project are covered by the manufacturer's Limited Lifetime Warranty, subject to the manufacturer's terms, conditions, limitations, and exclusions. This warranty applies only to the paint product itself and does not extend beyond the coverage provided by the paint manufacturer. Manufacturer warranties generally do not cover normal weathering, fading, abuse, neglect, moisture intrusion, structural movement, or other conditions beyond the control of the paint manufacturer or contractor.

5-Year Application & Workmanship Warranty

Alan Robinson Painting warrants its application and workmanship for a period of five (5) years from the project completion date. If peeling, blistering, or coating failure occurs due solely to defective workmanship performed by Alan Robinson Painting, we will provide the labor and materials necessary to correct the affected area at no charge to the original customer.

This Warranty Does Not Cover: Normal wear, fading, chalking, or aging of paint. Damage caused by water intrusion, leaks, condensation, or excessive moisture. Structural movement, settling, foundation movement, or cracking. Impact damage, abuse, neglect, vandalism, or accidents. Repairs or modifications performed by others after project completion. Failure of existing substrates, caulking, drywall, wood, or building materials. Acts of nature including storms, flooding, wind, hail, or other natural events. This warranty is non-transferable and applies only to the original customer and original project location.

Warranty Service
